### BIG AUTO PARADE WILL TOUR COUNTY

Starting From Canfield Next Saturday Afternoon.

Arrangements are being made for the biggest automobile parade in the history of Mahoning county, in the interests of a dry Ohio, next Saturday afternoon and evening. It is now believed that 400 machines will be in line when the tour of the county, which will take in every town, village, crossroads and city will begin. The parade is in charge of W. B. Van Gorder, religious work secretary of the Y. M. C. A. and Rev. George W. Brown, pastor of the Plymouth Congregational church.

The machines from this city will meet in Mahoning avenue, shortly before 1 o'clock. Three hundred autos will be in line, and will be formed into eight divisions, each in charge of a lieutenant. Each division will be headed by the speaker's car. It is probable that the parade will be headed by a brass band which will accompany the procession to the city limits.

From here the procession will go to Canfield, where 100 machines from the western part of the county will be waiting. At Canfield the parade for the county will be mobilized and the first speeches will be made.

Following the speeches the 100 machines at Canfield will be distributed among the eight divisions and the "Flying Auto Squadrons" will begin the tour of the county. Each squadron will have its schedule of places and times and this schedule will be published in a few days. In this way the people at every town, village or crossroads, will know just when one of the squadrons will arrive and will be gathered to meet it. The tour of the county will end at 6 o'clock Saturday evening and by that time the most thorough canvass of the county ever made in such a short time will be completed.

Every machine in the parade will be decorated according to the owner's fancy and 500 fish horns will be distributed among the occupants of the automobiles before the start is made. The residents at the scheduled speaking places will be able to hear a squadron coming a few miles away.

Industries Represented. An effort is being made to have every industrial plant in the county decorate an automobile for the occasion and have representatives from the workingmen in the machine.

Owners of machines who are able to go on the tour are requested to communicate with Mr. Van Gorder or Rev. Brown as soon as possible, if they have not already done so.

The window hangers will be placed in the homes of the county by the women's organization this week. The placards bearing the words, "This Home Is for a Dry Ohio" will be hung in as many homes in the county as possible. This work will start immediately.

On the Friday before election, or Oct. 30, the greatest parade of children of the county will be held in this city following the closing of the public schools. Every Sunday school superintendent has been given notice of this event, but the parade will not be a parade of Sunday school children only. Every child in the county is asked to join in the procession, whether he is a member of any Sunday school or not. This procession will be composed of floats, automobiles and marchers and will be decorated with appropriate banners and signs.

## CREATE CREDIT

Credit is one of the most valuable and most perishable things on earth. It will get you money where you have no money. Modern business is founded largely upon credit and few men are not compelled at various times to do business upon credit. The best way to establish credit is to have a bank account. No matter where you live you can become a depositor here where your money will be safe-guarded by a million and a half of paid-in capital.
